Work Experience

Senior Creative Designer

Spericorn Technology Inc. | May 2025 – Present

- Lead UI/UX and product design for web, mobile, SaaS and enterprise platforms.
- Translate product requirements into user flows, wireframes, high-fidelity interfaces and interactive prototypes.
- Design complex dashboards and application experiences with a focus on usability, hierarchy and consistency.
- Create and maintain reusable UI components and design patterns.
- Run design reviews and handoff with project managers and developers.
- Maintain visual consistency and design quality across digital products.
- Guide and review the work of junior designers.
- Contribute to creative direction and visual design across different project requirements.
- Work directly with international clients and stakeholders to shape requirements and present solutions.

UI/UX Designer

Spericorn Technology Inc. | Jun 2021 – May 2025

- Designed experiences and interfaces for SaaS, enterprise, web and mobile applications across multiple domains.
- Owned the process from requirements and information architecture to user flows, wireframes, UI and prototyping.
- Built responsive layouts, reusable components and visual guidelines for consistency across screens.
- Partnered with developers and project managers to communicate design intent through implementation.
- Provided visual and graphic design support where projects needed broader creative work.

UI/UX Designer

Mdrift Technologies Pvt. Ltd. | Dec 2017 – Jun 2021

- Designed interfaces and user experiences for SaaS applications and websites.
- Developed visual layouts and interface concepts for web-based applications.
- Translated product requirements into structured layouts, wireframes and polished UI.
- Refined designs with stakeholders and development teams to support delivery.

Graphic Designer

Cochin Academy for Media Productions | Mar 2015 – Sep 2017

- Created print and digital materials applying typography, layout and image-editing skills.
- Developed creative design concepts, visual compositions and visual storytelling.
- Produced production-ready visual assets for creative projects.
